Any special concerns or accommodations that need to be made for you or your students not already described in the enrollment form? (Confidential information) Please call Sue Aber.

Are there Sat. morning or afternoon hours for rehearsals on March 25th you prefer to avoid? Please list when you are NOT available or leave blank if you have no restrictions.

Are there Sat. morning April 1st hours for rehearsals you prefer to avoid? Please list when you are NOT available or leave blank if you have no restrictions.

Are there hours on Sun, April 1 or Sun April 2 afternoons you prefer to avoid for concerts? List when you are NOT available or leave blank if you have no restrictions.

Your responsibilities will be assigned according to the number of students you have enrolled. We won't know how many concerts or rehearsals will be necessary for you to attend until enrollments and programs have been organized sometime after Feb. 15th. Your completion of this form indicates that you will attend the rehearsals and concerts in which your students are participating. We will try to accommodate hours you wish to avoid. Duties include working the registration desk, lining up students according to the order of the program, assisting students on and off stage, ensuring music is at the pianos, handing out programs and greeting attendees. There will be NO refreshments served due to the piano sales event.

There is no fee for student performers or participating teachers this year due to the generosity of Kawai Piano Gallery – Alamo Music in Kansas City. The piano sales event will offer discounts to teachers, students, concert attendees, and Lawrence Arts Center members. We are grateful for KPG-KC – Alamo Music for their support.
